(as zinc oxide)

. 20 mg

INACTIVE INGREDIENTS

Acacia, Fumed Silica,
Magnesium Stearate, Natural
Orange Flavour, Orange Juice
Powder, Stearic Acid, Stevia,
Sucrose.

INDICATIONS

Se-Natal 19 Chewable Tablets
are indicated for use in
improving the nutritional
status of women throughout
pregnancy and in the
postnatal period for both
lactating and non-lactating
mothers. Se-Natal 19
Chewable Tablets are also
useful in improving the
nutritional status of women
prior to conception.

CONTRAINDICATIONS

This product is contraindicated
in patients with a known
hypersensitivity to any of the
ingredients.

WARNINGS

Folic acid alone is improper
therapy in the treatment of
pernicious anemia and other
megaloblastic anemias where
vitamin B₁₂ is deficient.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

PRECAUTIONS

Folic acid in doses above
0.8 mg daily may obscure
pernicious anemia, in that
hematologic remission can
occur while neurological
manifestations remain
progressive.

DOSAGE AND ADMINISTRATION

One tablet daily, or as
directed by a physician.

HOW SUPPLIED

Se-Natal 19 Chewable Tablets
for oral administration are
supplied as multi-color-
speckled, round tablets
debossed "TL015", packaged
in bottles of 100 tablets.

NDC 13925-117-01

STORAGE

Store at 20°-25°C (68°-77°F)
[see USP controlled room
temperature]. Protect from
moisture and excessive heat.
Avoid freezing.

PHARMACIST

Dispense in a tight, light-
resistant container as defined
in the USP/NF with child-
resistant closure.

**Call your doctor about
side effects. You may
report side effects to FDA
at 1-800-FDA-1088.**

**KEEP THIS AND ALL
DRUGS OUT OF THE
REACH OF CHILDREN.**
